Hi Sue,  
How are you? I've got some great news.  
There's a new club at my school and I'm a  
1 \_\_\_\_\_. The club is called  
*Worldwatch*. We meet every week and we're  
2 \_\_\_\_\_ in all kinds of  
3 \_\_\_\_\_ problems. Today, every  
family has one or more cars, so the streets are  
full of 4 \_\_\_\_\_. This causes a lot  
of 5 \_\_\_\_\_. Also, a lot of animals  
are in danger. Some 6 \_\_\_\_\_ try  
to catch fish, but they often catch dolphins in  
their 7 \_\_\_\_\_. It's very sad.  
Have you got a club like ours at your school?  
Write soon and tell me about it.  
Jenny
