Answer Keys

Horoscope Personality Traits

Aries: People falling under this sign are adventurous. They are generally self-willed and courageous. They may be seen as short-tempered individuals. They are often clever and confident. On some occasions they act impatiently. Their impulsiveness and quick temper can be their potential enemies. If they overcome these weaknesses, they can achieve success in life, owing to their confidence and clarity in thinking.

Taurus: Those belonging to this sign are romantics. Their love for style and beauty is apparent in their way of living. They are warm at heart and prefer being secured in life. As friends, they are trustworthy and helpful. But they can be possessive about everything they have. This may translate to selfishness and greed. If on guard about these negativities, a Taurus can make a good company and an excellent friend.

Gemini: People belonging to this sign are many-sided and quick-witted. They are spontaneous in communication. They come across as intelligent people. Their love towards life is evident from their living! But they tend to worry too much on certain issues and fail in managing their stress. They form opinions pretty quickly and sometimes appear to look superficially at life.

Cancer: Those falling under this zodiac sign are rather sentimental. They are of a loving and a caring nature. They are cautious in their actions. They are very protective towards their loved ones. This nature makes them excellent and caring parents. Cancers often have an imaginative and artistic side to their life. They are subject to varying moods. Their overly emotional nature needs to be worked on. On the whole, they are good human beings.

Leo: Leos are generous and open-minded. They are quite caring in nature. They possess a dominating nature coupled with a determination of taking everyone along. This combination of traits makes them true leaders. They may be egoistic and bossy. They tend to easily lose their temper. They are both open-minded and openhanded and show deep love for magnificence and luxury. Leos are real kings!

Virgo: They are very analytical. They tend to think overly on any given subject and base their conclusions on a long thought process and deep analysis. They have unidirectional talents. They love natural things. Their overcritical nature can become a cause of their troubles but otherwise they are intelligent and good decision-makers.

Libra: Their romantic nature is coupled with serenity. They are balanced in nature and know how to keep their cool at all occasions. At times, they find it difficult to express themselves. Though they appear aloof, they are attached to their near ones. They tend to get influenced by the views of others. It makes them indecisive. Apart from these weaknesses, they are on the whole reasonable and thoughtful.

Scorpio: Scorpios are passionate individuals with a magnetic personality. They are forceful about going by their opinions. They have clarity of thought and expression. Due to their possessive nature, they become jealous quite easily. They are clever and courageous. They can be hurt and resentful. They seek to take revenge of the wrongdoers. So be careful while dealing with Scorpios.

Sagittarius: They are intelligent and philosophical. They know how to lighten up any atmosphere. They are fun-loving in nature. Sometimes their excessive optimism makes them behave carelessly. Their moods can be disturbing but on the whole, they are intelligent people with a good sense of humor.

Capricorn: They are natural and practical. Their ambitious nature does not allow them to ever give up. They plan before playing any game of life. They may come across as sadistic individuals who are orthodox and rigid. Persistence and tolerance are their greatest qualities. They are generally ready to fight whatever comes in their way.

Aquarius: They are among the intelligent in the crowd. A sense of humor, coupled with great intelligence and deep thinking make them stand out. They make loyal and honest friends. They are independent thinkers with great originality in their thoughts and actions. They may appear indifferent and less emotional. If you have an Aquarian around you, you may find it difficult to understand him/her.

Pisces: They are sensitive and sympathetic. They are kind and helpful. They can go out of their way to help their dear ones. This makes them excellent friends. Opinions of others can easily influence them due to which they can easily get carried away. They are not very determined or courageous. They are often average in thinking and behavior. But their idealism is their true differentiator.
